

CORRESPONDENCE

SCAPPOOSE

Mrs. R. L. Eskridge, of Sheridan, visited her mother, Mrs. E. M. Watts, last week.

An official wire from Washington stated our two boys, Hugh Adams and Clyde Gochinour, who were on the President Lincoln when it was torpedoed, were safe.

Carl Helmuller and Ernest Tanner leave Friday for Bremerton, Wash. They have enlisted in the navy. Armand Duncan failed to pass examination on account of his eyes.

Mr. and Mrs. Crowley returned from their vacation Sunday. We welcome them home.

Mr. Grewell has finished papering the Rabinsky house and now is papering the home of J. B. Duncan throughout.

Al. Platz returned from California Saturday.

Mrs. Schell, of Portland, visited Mr. and Mrs. George Grant Thursday and Friday.

Mrs. C. E. Barker, of Beaverton, spent Friday and Saturday with Dr. and Mrs. Hatfield.

Wm. Scholz is home from the hospital.

Posttrauma has improved enough to be out.

School closed Friday and all the teachers have returned to their several homes.

There was a large attendance at the commencement Friday evening. The high school play was held in the hall Wednesday evening.

Pupils of the high school gave a dance Saturday evening in Watts & Price hall, for their teacher, Miss Anderson.

Miss Ruby Tipton has accepted a position in the Hillsboro school for next year.

Gladys Johnson is home from O. A. C. Corvallis.

Mrs. Elizabeth Adams, of Portland, visited friends in Scappoose Thursday and Friday.

Mrs. Grant Watts has been appointed chairman of the W. S. S. for June. On June 28 there will be a patriotic rally at the school grounds. Watch for further notice.

Mr. and Mrs. Butler have returned from Fort Leavenworth, Kan. They met with a disappointment, as Chauncey had left for service.

There will be a combination service at the Congregational church in the morning. The children's day exercises will be given and Mr. Upshaw will be present. He will also occupy the pulpit in the evening. Morning services are changed to 10:45. Evening service, 8 o'clock.

Mrs. Gatchell is pending several days in Salem this week.

Mr. Washburn has accepted a position in Portland for the summer. Fred Lange has been appointed our new R. F. D. carrier.

Decoration Day at Scappoose.

A goodly crowd attended the exercises which began at 2 p. m. at the cemetery. The program was under the direction of Mrs. Margaret Washburn, and was as follows:

Song—America Assemblage

President Wilson's Message

Read by Mrs. Washburn

Invocation Dr. Hatfield

Lincoln's Gettysburg Address

Address—Significance of This Day Evan Lapham

The Grand Army of the Republic Judge Cooper

L. B. Allen, Veteran of Civil War

Soldiers of Today Prof. Jas. Dodson

There are five veterans of Oregon

Indian wars, ten veterans of the Civil

war, and three Spanish-American war

veterans whose graves were decorated.

The decorating committee was Robert

Lynch, Dix Holaday, carrying the

high school flag; Fritz Rabinsky,

sailor, and Jack Duncan, soldier, in

uniform, and six girls of the high

school carrying baskets of flowers and

wreaths.

Perfect silence was observed by the

large crowd all during the decoration

of the soldiers' graves. Most of the

graves in this pretty little cemetery

were lavishly trimmed by friends and

neighbors, and a spirit of silence and

almost of reverence was shown while

"We covered them over with beautiful

flowers—

These husbands and fathers and brothers

and lovers—

We've enshrined in our hearts these

dead heroes of ours

And covered them over with our

choicest of flowers."

Tuesday evening, on the way to Portland one of the California oil trucks went over the bank at Jackson creek and turned turtle, pinning the driver under the car. He was not seriously hurt. At the bridge there is a lot of cut rock and when the truck struck it, it caused the wheel to turn and the truck was over the bank before the driver could regain control.

WARREN

The warehouse committee, consisting of A. H. Tarbell, Carleton Lewis, Washington Muckle, A. L. Larson, K. F. Larsen and A. L. Morris, met Friday night to complete their report to be submitted to the subscribers of the warehouse fund at a meeting to be called within a few days. Already there has been subscribed \$1,205, which fully guarantees the project.

The committee will meet on Thursday with the right of way agent of the S. P. & S., to talk over and arrange for a location if such can be obtained satisfactorily from the railroad company. If no arrangements can be made then, a private site will be secured. The proposition of a hall above the warehouse is advocated in some quarters, and this would necessitate a private site, or partially so.

The building under contemplation will be 50x70 feet, and in all probability it will be of tile, with 10 or 16 foot walls; 10 feet if no hall is provided for. In the event of a hall, the building would cost about \$1,800.

At the meeting of the subscribers a board of management, president and secretary will be elected. Work will be begun as soon as possible in order to handle the fall products of Warren and surrounding territory.

The patriotic celebration planned for the nation's birthday is being rounded into shape. Mrs. Garriott has been appointed manager of arrangements for the Red Cross, and it is proposed by her to have at least ten floats representing America, England, France, Italy, Japan, China and Belgium, and Junior Red Cross and a Red Cross float. The home guards will, it is hoped, be equipped with uniforms and rifles by that time, and will parade to the picnic grove followed by the Boy Scouts, they in turn being followed by the floats, then coming the members of the Red Cross in automobiles. The parade will be headed by the guard band. Refreshments will be sold by the ladies of the Red Cross and all the funds derived from that source will go to the Red Cross organization. It is hoped that Yankton and other home guard organizations will attend.

The Boy Scouts, under Scout Master S. W. Dahlgren, will drill in future with the home guards on the school grounds Wednesday evenings instead of Friday as heretofore.

C. W. Page, brother of Mrs. A. H. Tarbell, has returned after a year's sojourn in Imperial Valley, California. He spent the year with his brother, E. H. Page, whom he had not seen in 18 years. Mr. Page will be employed in the shipyards here.

Mr. and Mrs. Walhouse, of Mayger, spent Sunday with Mr. and Mrs. John Farr testing the new Hupmobile that John bought on Saturday.

Miss Myrtle Larson, who has been training the youths of Harney county, is expected home Friday.

Col. W. J. Fullerton, candidate for county judge, will soon be equipped with a new automobile. He will make an earnest canvass for the position sought.

Mrs. T. E. Grewell, who has just undergone a successful operation, is convalescing and is expected home this week from the Portland hospital.

The children of the Swedish Sunday school will hold their annual picnic on July 4th, as has been their custom for the last ten years. The Red Cross will be remembered on that day from the proceeds of the affair.

Louis W. Boesel, who has been on furlough for a month from Camp Lewis, returned last Saturday to again take up his war duties. His two sisters, Mrs. Adams and Miss Lucy Boesel, don men's clothes and do the farm work.

The back road is receiving a coat of rock after being turpined, and the residents are jubilant over the prospect of good roads, something they never had before.

YANKTON

Wallace Griffiths and Edward Saucer, two young men of the Yankton neighborhood, left Friday morning for California, where they have gone to answer Uncle Sam's call and be of service to their country. Wednesday evening about forty of their friends and neighbors gathered at the home of Edward Saucer to wish the boys the best of luck and a safe return after the war. Each of the boys were presented with a finely equipped war kit as tokens of regard from their companions. A very nice supper was served and an enjoyable evening spent by all.

Try a Want Ad. in the Mist. It will bring results.

GOBLE

O. M. Hoven and son were guests of his sister, Mrs. M. Hoven, Sunday. Mrs. B. J. Keelan, of Deer Island, and Miss Ivalo Tracy, of Columbia City, were in Gobble for the commencement exercises.

Sunday, May 25, a community flag was unfurled at Gobble. Mr. Gaunt, of Rainier, and Mr. McMillan delivered addresses. The audience joined in the singing of "The Star Spangled Banner." Beneath the national banner was raised Gobble's Honor flag bearing thirteen stars.

Annual commencement exercises of the Gobble school were held in Redmen's hall Saturday, June 1, at 8:30 p. m. A large and appreciative audience was present. The following program was very creditably presented:

The following pupils received
Eighth grade diplomas: Marguerite Welter, Glen Larson, Otto Cantwell, Harry Bishop, Joyce Hyberger, Ada Neer.

Goble is unusually proud of its graduating class this year because of its high average. Marguerite Welter received the highest average in Columbia county, 96. Glen Larson received the second highest and Ada Neer, third.

Certificates of perfect attendance were presented to Harold Hunter, Louise Link, Milton Tipton, Nettie Litton, Ada Neer and Harry Bishop.

W. A. Williams, of Portland, spoke feelingly to the graduates of "The Values of Life."

Hazel Brown, president of the Junior Red Cross Society of the school, presented the needs of that society in a brief but telling speech.

A collection was taken up, resulting in \$37.30 for relief work in Europe.

Marguerite Welter, on behalf of the graduating class, presented Miss Kearns, the principal, with a beautiful leather hand bag, in token of their appreciation of the efficient and painstaking work she had done.

DEER ISLAND

The dance given by the Deer Island Auxiliary on the 18th was the largest and most successful affair ever given at this place. W. L. Cochran, of La Grange, and I. M. Cochran, of Portland, prominent attorneys, spoke brilliantly on the work of the Red Cross and its urgent need for money to carry out its plans. The audience was held spellbound as I. M. Cochran, in an eloquent and dramatic manner, described the coming of "Zero" hour to the men on the firing line. Mrs. Viroqua Godfrey, of Vancouver, B. C., and Edward Keelan, a member of the signal corps, took up the collection. The entire proceeds of the dance was \$165.

Deer Island Auxiliary wishes to thank the people from all parts of the county who, by their presence and generous contributions, made the dance such a success.

Sour Stomach.

This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion.

National and Local Meat Business

The meat business of the country is conducted by various agencies—

By small slaughter-houses in villages—

By local Abattoirs or small Packing Houses in towns—

both

Using only a part of the local live stock supply

and

Furnishing only a part of the local demand for meat.

These slaughtering and distributing agencies fill a well defined but necessarily restricted place in the distribution of the products of live stock.

But only packers like Swift & Company, organized on a national scale, are able to undertake the service that is more vitally important, involving

An Obligation to the Producer

To purchase for spot cash all the live stock the producer may send to market for slaughter.

An Obligation to the Consumer

To make available to every consumer, everywhere, in season and out, the full supply and variety of meat products, of the highest standard that the market affords.
